

# LECSET GENERATOR SETS

BY KLASSEN

Industrial Marine Standby Prime Power

## STANDARD ENGINE FEATURES:

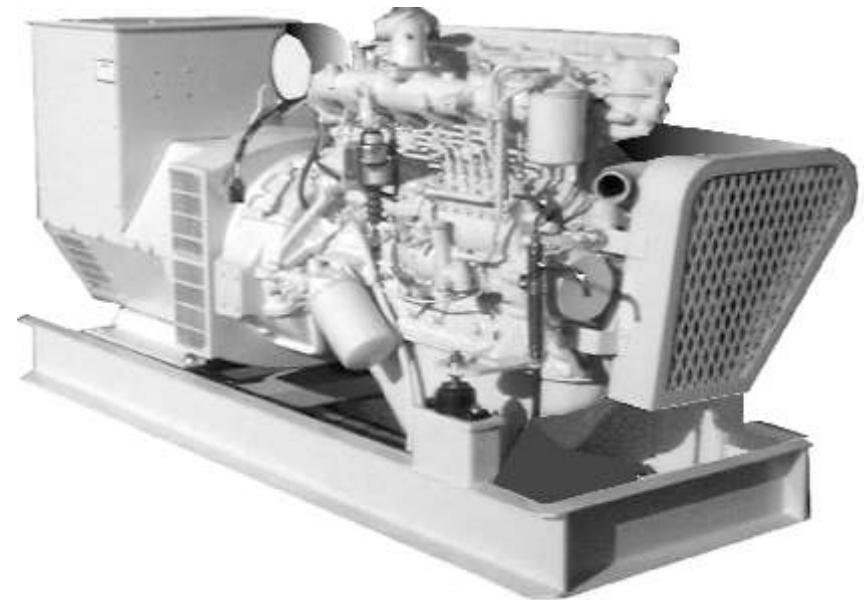

- ✍ 3 year/3000 HR Isuzu diesel engine warranty.
- ✍ Four stroke for quiet performance.
- ✍ Bosch style Fuel System for efficient operation at 1800 RPM.
- ✍ Low oil pressure, high water temperature, automatic shutdown system.
- ✍ Pre-wired plug in instrument panel with DC engine gauges. Includes oil psi, water temp., volt or amp gauge, tach with hour metre, glow plug indicator, key on/off switch.
- ✍ Skid mounted with vibration isolators.
- ✍ Oil change pump or drain line
- ✍ Radiator cooled or set up for marine applications.

## OPTIONAL FEATURES:

- ✍ 1200 RPM, 60 HZ & 1500 RPM, 50 HZ governor speed.
- ✍ Sound and weather enclosures
- ✍ AC metre panel and autostarts
- ✍ Skid mounted fuel tanks
- ✍ Main line disconnect breaker
- ✍ Custom and emergency back-up packages available
- ✍ Low water & low oil level shut downs

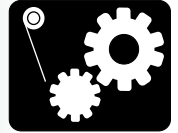

## GENERATOR FEATURES:

- ✍ Choice of either Stamford/Newage or Lima/Marathon regulated, brush-less type generators with 1 year warranty.
- ✍ Three phase or single phase (3 wire and 2 wire).
- ✍ Motor starting capable generators for starting heavy electric motor loads where space is limited, with or without P.M.G.
- ✍ All generators are rated for heavy duty commercial load applications for years of dependable, maintenance free hours and seasons.
